

Premium Hydraulic Oil

Available in Stores and by On Site Service

PIRTEK Hydraulic Oil is recommended for use in industrial and mobile applications where either mild or severe operating conditions exist.

The mineral based hydraulic oil contains rust and corrosion inhibitors as well as anti-wear additives to ensure protection of equipment and pumps operating under severe and high pressure systems.

- Advanced Anti-Wear Protection
- Excellent Filtration Performance
- Unique Corrosion Technology
- Enhanced Oxidation Inhibitor System

ISO Grades 32, 46 and 68

Available in convenient to carry 2½ gallon containers and in 55 gallon drums for bulk users.
